Number of youth included in "family" count above	B+		
Number of youth covered by scholarship provided by local outside source	C+	X \$10.00 each =	
Number of youth in need of scholarship, not covered	D+	X \$10.00 each =	
Total number of youth in county	=E		
		TOTAL	\$

- Send form and fees with annual enrollment report to the state MSU Extension office by or before October 1, 2008.
- Counties can issue one check to the state office or can pay on a quarterly basis, whichever works best in your bookkeeping system. Checks should be made out to Michigan State University Extension.
- Checks should be for half of the total amount of participation fees collected in the county.

Send to: Michigan State University Extension
