

THE MONTCALM AREA MASTER GARDENER ASSOCIATION PRESENTS....

Keeping the Plant World Straight for 2008!

Learn about new and exciting plant introductions for 2008 and beyond. These herbaceous and woody plants are fun to collect and plant in the garden. Come learn about these new introductions in the world of green.

About the Speaker.....

Andrew Schupp has been part of the green industry for 15 years. He started at Michigan State University in 1999 where his major was Landscape Architecture for three years followed by one year in Horticulture. While at Michigan State he participated in the Horticulture Club and was a teaching assistant for Plant ID 1 and 2. Also, he was a member of the Michigan State Cross Country and Track team. Today he works at a small residential landscape design/build and maintenance company where he runs the landscape division. On the side, with the help of his friend Kevin Hurd (Walters Gardens head breeder) they take on breeding projects utilizing his expertise in ornamental grasses. Along with the green industry, he still runs and is currently trying to achieve an Olympic qualifier for the summer of 08 trials
